MEMORANDUM FOR: Chief, RCM/OIS 25X1A5a1
SUBJECT: [REDACTED] Progress Reports

1. Here are five of the fifteen progress reports that I just received from [REDACTED] 25X1A5a1
2. You will notice that the reports cover not only DD/P projects but other Agency projects, as well as non-governmental programs.
3. I should like to distribute copies of these reports to other offices inside the Agency, but I first want your approval since, as in the past, there may be something in the reports on DD/P projects that you do not desire distributed elsewhere.
4. I will appreciate your giving me a buzz as soon as you have had a chance to look at this report.
